

Environmental Impact Statement

Federal Highway Administration's T 6640.8A Guidance for Preparing and Processing Environmental and Section 4(f) Documents should be followed for the format of an EIS. The guidance can be found in the notebook for the FHWA course: NEPA and the Transportation Decision Making Process.

See FHWA's website for Indiana's Streamlined Procedures at:

<http://www.fhwa.dot.gov/indiv/eisproc.htm>
